**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition in the ISP space. The near monopoly maintained by the large telecom companies benefits no one but their shareholders. As someone whose livelihood and quality of life will be affected by our every decision, please consider the consumer when you decide on new regulations.
